

FREE METRO BUS RIDES ALL YEAR

January 2006

New student guide to **Metro Bus services. Free Ride** is a program of free bus transportation provided to SCSU students on all Metro Bus Fixed Route buses. University, Campus Clipper, Husky Shuttle and Sundowner buses are dedicated to campus service. Students do not need a car on campus. Most student housing apartment complexes are within 20 minutes of campus. Students only need their student I.D. which serves as their bus pass to go to work, to class, to shop or to the movies. Welcome aboard Metro Bus

Times are representative of service hours. For actual schedules check out our website: ridemetrobust.com.
