

ST. CLOUD METROPOLITAN TRANSIT COMMISSION
PROPOSED F.Y. 2022 PROGRAM OF PROJECTS

The Surface Transportation Assistance Act of 1982 as amended, created the Section 5307 formula program and Sections 5308, 5309, 5316 and 5317 discretionary programs to make Federal resources available to urbanized areas for capital, operating, and planning assistance purposes.

The following is the St. Cloud Metro Bus' Proposed Program of Projects which a portion of F.Y. 2022's apportioned funds will be used:
