# Resolution #2023-01 DESIGNATING THE OFFICIAL DEPOSITORIES AND NEWSPAPER OF THE ST. CLOUD METROPOLITAN TRANSIT COMMISSION

WHEREAS, Minnesota Statutes require political subdivisions to designate, on an annual basis, official depositories for funds and an official newspaper; and

THEREFORE LET IT BE RESOVED, by the St. Cloud Metropolitan Transit Commission that:

- 1. Wells Fargo, St. Cloud, be designated as official depository.
- 2. The Commission further designates authority to the Chief Executive Officer per MN Stat. Sec. 118.005 to exercise the powers of the board in designating additional official depositories. Additional depositories to be officially designated at the next Commission regular meeting.
- 3. The St. Cloud Times be designated as the official newspaper.

#### **CERTIFICATION**

I hereby certify that the foregoing resolution is a true and correct copy of the resolution presented to and adopted by the St. Cloud Metropolitan Transit Commission at a duly authorized meeting thereof held on the 18th day of October, 2022, as shown by the minutes of said meeting.

## **Agenda Memorandum**

Agenda Item: 10

Agenda Date: October 18, 2022
Agenda Subject: ConneX Continuation

**Staff Contact:** Paula Mastey

**Previous Action:** Bi-annual verbal Commission updates

Metro Bus began the ConneX on-demand pilot program on January 1, 2019.

This service felt a "learning curve" during 2019. Several areas, both on the public side, as well as on the back end were adjusted. At the end of 2019, Commission determined that one year was not enough time to decide if the on-demand structure was successful, and therefore extended ConneX through December 31, 2020.

In early 2020, recognizing that ConneX is a premium service for the City of Sartell, rates were adjusted to reflect this higher level of service. On April 1, 2020 rates were increased to \$2.50 per ride.

Unfortunately, 2020 also brought the COVID-19 pandemic. On April 20, 2020, Metro Bus stopped collecting fares for all of our services. In addition, we strongly encouraged "Emergency Rides Only" for the safety of the communities we service as well as our employees. With the pandemic in full force, it was again determined to extend ConneX through December 31, 2022.

Transit systems throughout the country are still feeling the effects of COVID-19 in ridership. Metro Bus is no exception to this, as we continue to see our communities adjust and change to a post-pandemic world.

#### **Updated ConneX information:**

- 2022 Ridership YTD through September is 9,864.
- Fares collected in 2022 YTD through September are \$20,961.
- The current, local share of the estimated cost to operate ConneX above a fixed route in Sartell is \$8,278. This calculation takes into effect MNDOT's contribution as well as the higher fares collected.

#### Staff recommends the following:

a. Because FTA's definition of a pilot program no longer applies, we recommend ConneX become part of our base service and be evaluated as part of the upcoming Long Range Transit Plan.

b. Implement an App for ConneX service. We have local and federal funds available for this purchase. Staff has been told by many systems utilizing the same type of premium, on-demand service that an App is necessary for success.

If the Commission decides not to move forward with ConneX, we would reimplement fixed route service in Sartell, which would go into effect in 2023.

# **Agenda Memorandum**

Agenda Item: 11

Agenda Date: October 18, 2022

Agenda Subject: Liability and Worker's Compensation Insurance Policy Renewal

**Staff Contact:** Sunny Hesse

Previous Action: none

The Commission's Liability and Worker's Compensation Insurance policy is renewed on an annual basis on October 1 of each year. The Mahowald Insurance Agency has been assisting with this coverage as our broker since 1986.

The insurance premium renewal for Liability (Travelers, LLC) and Worker's Compensation (State Fund Mutual Insurance) insurance coverage for FY 2023 includes an overall increase of 8% compared to the same coverage last year. The majority of the increase is due to the following reasons:

- Liability premium increase due to standard rate increases and an increase in payroll.
- Worker's Compensation premium increased slightly due to an increase in payroll.

Additional changes to premium are due to the following:

- Increase to Cyber limit from \$1M to \$2M resulting in an increase in annual premium of \$979.
- Increase of Property Deductible from \$25,000 to \$50,000 resulting in a reduction in annual premium of \$10,151.

The overall proposed premium for FY 2023 coverage is \$587,441.

**Recommended Action:** Informational Only.
