If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with a Federal contract, grant, loan, or cooperative agreement, the Vendor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

The Vendor shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which Metro Bus has relied to enter this Contract. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. section 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Vendor will include this certification as a flow down clause in any subcontract related to this Contract.

No Government Obligation to Third Parties

Clause

The Recipient and Vendor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this Contract and shall not be subject to any obligations or liabilities to the Recipient, Vendor or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying Contract. The Vendor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by the FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

Program Fraud and False or Fraudulent Statements and Related Acts

Clause

The Vendor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Vendor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Vendor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government

reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Vendor to the extent the Federal Government deems appropriate.

The Vendor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. chapter 53, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5323(l) on the Vendor, to the extent the Federal Government deems appropriate.

The Vendor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

Recycled Products

Clause

The Vendor agrees to provide a preference for those products and services that conserve natural resources, protect the environment, and are energy efficient by complying with and facilitating compliance with Section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962, and U.S. Environmental Protection Agency (U.S. EPA), "Comprehensive Procurement Guideline for Products Containing Recovered Materials," 40 C.F.R. part 247.

Severability

The Contractor agrees that if any provision of this agreement or any amendment thereto is determined to be invalid, then the remaining provisions thereof that conform to federal laws, regulations, requirements, and guidance will continue in effect.

Termination

Termination for Convenience (General Provisions)

Metro Bus or the Vendor may terminate this contract, in whole or in part, at any time by thirty (30) day written notice to either party when it is in Metro Bus's or the Vendor's best interest. The Vendor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The Vendor shall promptly submit its termination claim to Metro Bus to be paid. If the Vendor has any property in

its possession belonging to Metro Bus, the Vendor will account for the same, and dispose of it in the manner Metro Bus directs.

Termination for Default (Breach or Cause) (General Provision)

If the Vendor does not deliver supplies in accordance with the contract delivery schedule, or if the contract is for services and the Vendor fails to perform in the manner called for in the contract, or if the Vendor fails to comply with any other provision of the contract, Metro Bus may terminate this contract for default. Termination shall be effected by serving an advanced thirty (30) day written Notice of Termination on the Vendor setting forth the manner in which the Vendor is in default. The Vendor will be paid only the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract.

If it is later determined by Metro Bus that the Vendor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the Vendor, Metro Bus, after setting up a new delivery of performance schedule, may allow the Vendor to continue work, or treat the termination as a Termination for Convenience.

Opportunity to Cure (General Provision)

Metro Bus, in its sole discretion may, in the case of a termination for breach or default, allow the Vendor [an appropriately short period of time] in which to cure the defect. In such case, the Notice of Termination will state the time period in which cure is permitted and any other appropriate conditions will be specified.

If the Vendor fails to remedy to Metro Bus's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Vendor of written notice from Metro Bus setting forth the nature of said breach or default, Metro Bus shall have the right to terminate the contract without any further obligation to the Vendor. Any such termination for default shall not in any way operate to preclude Metro Bus from also pursuing all available remedies against the Vendor and its sureties for said breach or default.

Waiver of Remedies for any Breach

In the event Metro Bus elects to waive its remedies for any breach by Vendor of any covenant, term or condition of this contract, such waiver by Metro Bus shall not limit Metro Bus's remedies for any succeeding breach of that or of any other covenant, term, or condition of this contract.

Violation and Breach of Contract

Rights and Remedies

The duties and obligations imposed by the Contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by Metro Bus or the Vendor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

Substantial failure of the Vendor to complete the project in accordance with the terms of this Agreement will be a default of this Agreement. In the event of a default, Metro Bus will have all remedies in law and equity, including the right to specific performance, without further assistance, and the rights to termination or suspension as provided herein. The Vendor recognizes that in the event of a breach of this Agreement by the Vendor before Metro Bus takes action contemplated herein, Metro Bus will provide the Vendor with sixty (60) days written notice that Metro Bus considers that such a breach has occurred and will provide the Vendor thirty (30) days to respond and to take necessary corrective action.

Rights and Remedies of Metro Bus

Metro Bus shall have the following rights in the event that Metro Bus deems the Vendor is guilty of a breach of any term under the Contract.

1. The right to take over and complete the work or any part thereof as agency for and at the expense of the Vendor, either directly or through other contractors;
2. The right to cancel this Contract as to any or all of the work yet to be performed;
3. The right to specific performance, an injunction or any other appropriate equitable remedy; and
4. The right to money damages.

For purposes of this Contract, breach shall include, but not be limited to, failure to proceed with work, failure to perform, failure to supervise, failure to comply with Metro Bus written directives in accordance with the contract.

Rights and Remedies of the Contractor

Inasmuch as the Vendor can be adequately compensated by money damages for any breach of this Contract, which may be committed by Metro Bus, the Vendor expressly agrees that no default, act or omission of Metro Bus shall constitute a material breach of this Contract, entitling Vendor to cancel or rescind the Contract (unless Metro Bus directs Vendor to do so) or to suspend or abandon performance.

Disputes

Metro Bus and the Vendor intend to resolve all disputes under this Agreement to the best of their abilities in an informal manner. To accomplish this end, the parties will use an Alternative Dispute Resolution process to resolve disputes in a manner designed to avoid litigation. In general, the parties contemplate that the Alternative Dispute Resolution process will include, at a minimum, an attempt to resolve disputes through communications between their staffs, and, if resolution is not reached at that level, a procedure for review and action on such disputes by appropriate management level officials within Metro Bus and the Vendor's organization.

In the event that a resolution of the dispute is not mutually agreed upon, the parties can agree to mediate the dispute or proceed with litigation. Notwithstanding any provision of this section, or any other provision of this Contract, it is expressly agreed and understood that any court proceeding arising out of a dispute under the Contract shall be heard by a Court de novo and the court shall not be limited in such proceeding to the issue of whether the Authority acted in an arbitrary, capricious, or grossly erroneous manner.

Performance during Dispute

Unless otherwise directed by Metro Bus, the Vendor shall continue performance under this Contract while matters in dispute are being resolved.

Claims for Damages

Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of its employees, agents, or others for whose acts it is legally liable, a claim for damages therefor shall be made in writing to such other party within ten (10) days after the first observance of such injury or damage. In addition, the vendor agrees to notify Metro Bus's project manager within 24 hours either verbally or in writing of any injury or damage that occurs relating to the project.

Trafficking In Persons

The contractor agrees that it and its employees that participate in the Recipient's Award, may not:

- (a) Engage in severe forms of trafficking in persons during the period of time that the Recipient's Award is in effect;
- (b) Procure a commercial sex act during the period of time that the Recipient's Award is in effect; or
- (c) Use forced labor in the performance of the Recipient's Award or subagreements thereunder.

Federal Tax Liability and Recent Felony Convictions

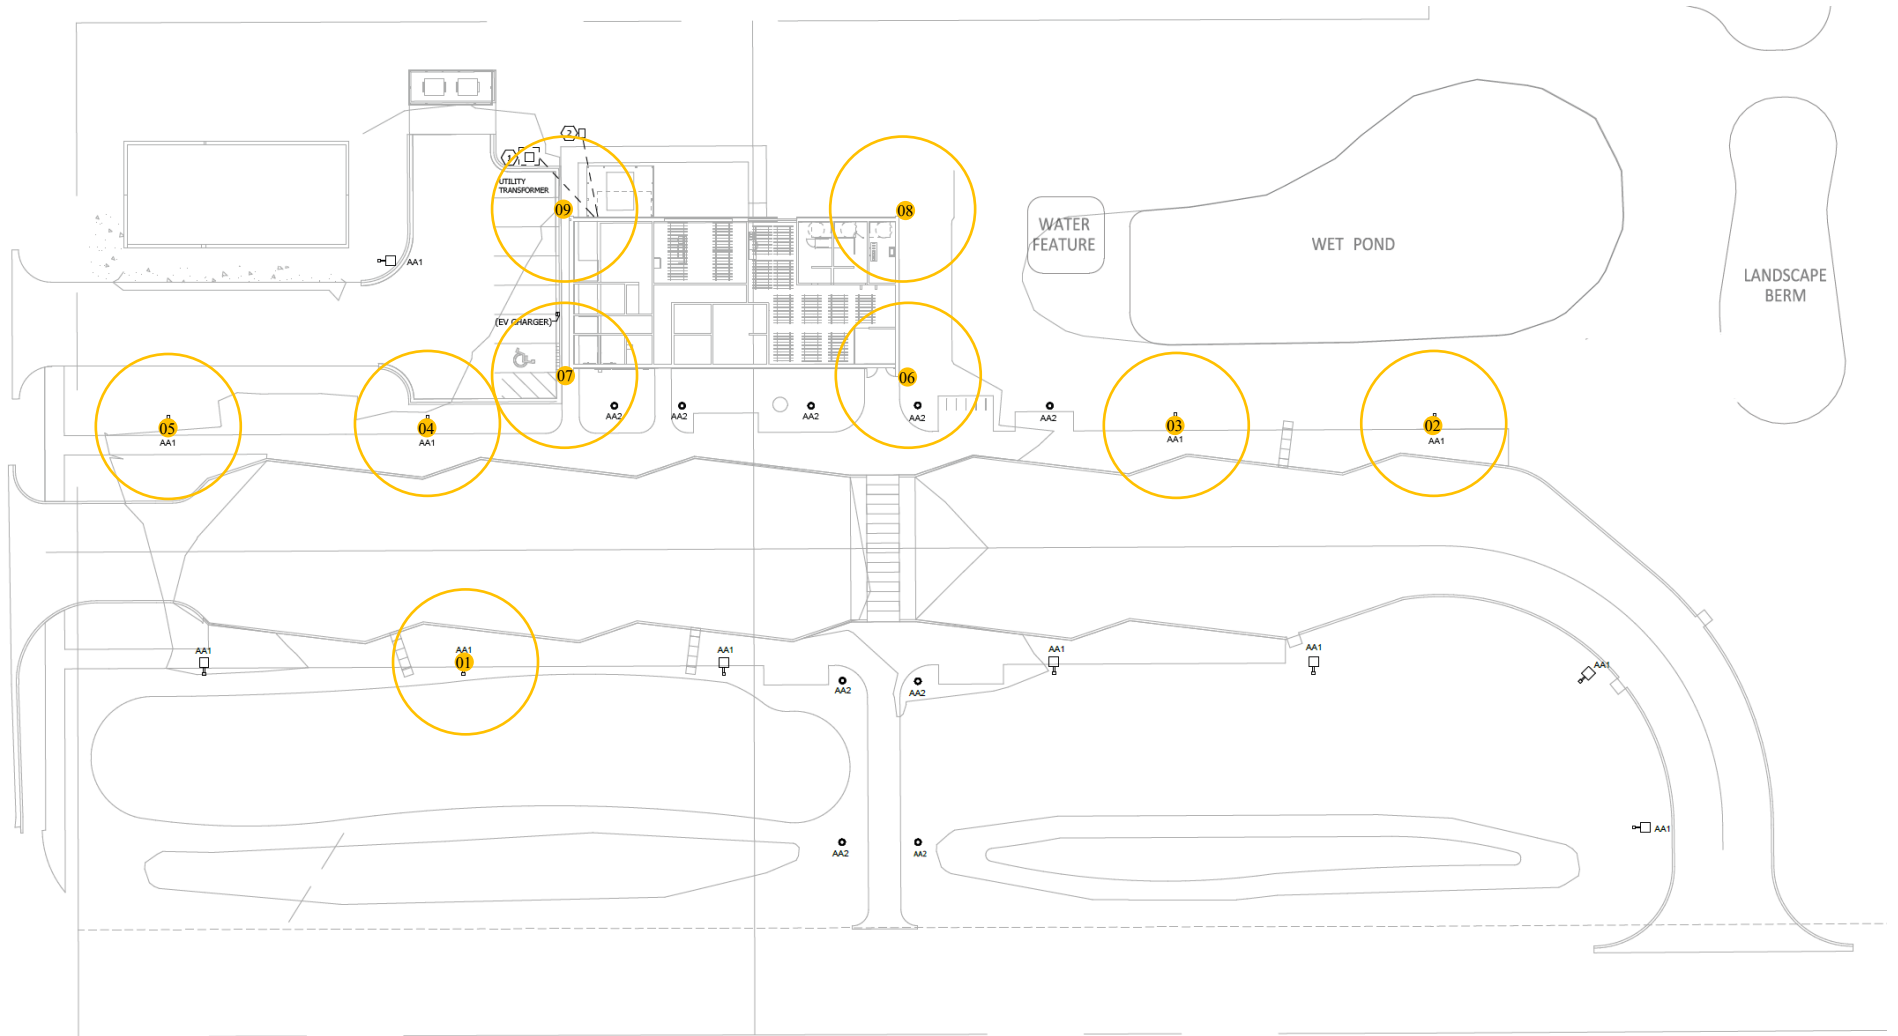

- (1) The contractor certifies that it:
 - (a) Does not have any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability;
 - (b) Was not convicted of the felony criminal violation under any Federal law within the preceding 24 months.

If the contractor cannot so certify, the Recipient will refer the matter to FTA and not enter into any Third Party Agreement with the Third Party Participant without FTA's written approval.

Incorporation of Standard FTA Terms

The preceding provisions include, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in the most current FTA Circular 4220, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this agreement. The Vendor shall not perform an act, fail to perform an act, or refuse to comply with any Metro Bus requests which would cause Metro Bus to be in violation of the FTA terms and conditions.
